EDUCATION & TRAINING

Addressing barriers and implicit biases that hinder advancement of women

Education helps women develop skills and knowledge as a pathway to professional opportunities and economic security.

AAUW has supported 13,000 women and organizations in 145 countries to further their academic or career paths and lift up their communities. AAUW's work on Title IX protects students from discrimination and violence at school. **Use AAUW resources to promote equity in education in your community.**

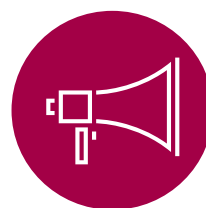

ECONOMIC SECURITY

Ensuring livelihoods for women

Women still don't have equal pay and there are too few women in the highest-paying fields. We must create inclusive career pathways to attain economic security.

AAUW members are committed to achieving pay equity. **Get involved in AAUW's goal to train 10 million women in salary negotiation by 2022.**

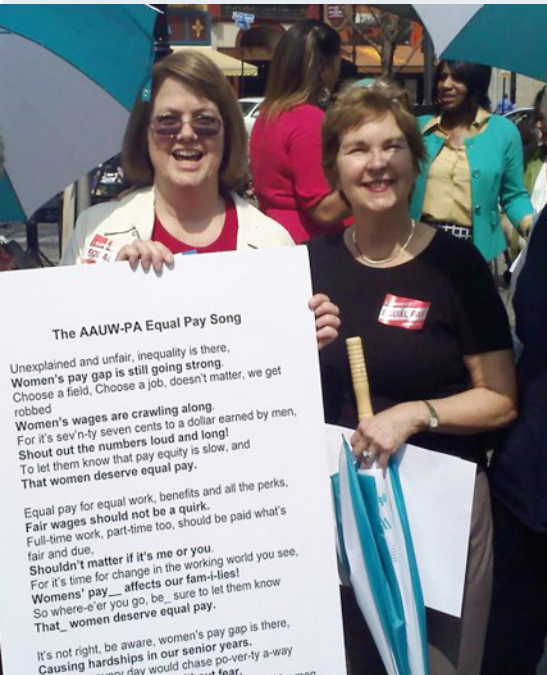

LEADERSHIP

Closing the gender gap in leadership opportunities

Women are outnumbered by men in the most prestigious positions, from Capitol Hill to the boardroom. When we cultivate women leaders today, we create a brighter tomorrow. It is time for women's voices to be heard.

Let AAUW amplify your voice from the statehouse to the Capitol, or advocate for leadership opportunities for women in your community.

WHAT WE DO – STATE

Equal Pay Day Rally in Harrisburg

PA Governor Wolfe signs executive order on pay with AAUW-PA's Barbara Price behind him

Student leadership conference scholarship winners

EDUCATION & TRAINING

Addressing barriers to women's advancement in education, at home and in the workplace

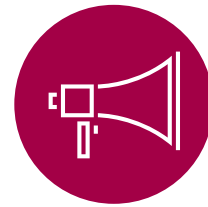

AAUW-PA and its many branches statewide support programs that encourage interest in STEM among girls, honor the achievements of women and girls, provide scholarships for college, and support women college students attending AAUW's student leadership training program.

ADVOCACY

Promoting public policies that advance equity for women and girls and good governance

Working in coalition with a variety of other non-profit groups, AAUW-PA acts on a non-partisan basis at the state level on issues such as adequate funding for public education, raising the minimum wage, promoting pay equity, creating family friendly work environments, opposing voting restrictions, and ending the practice of partisan gerrymandering.

PUBLIC AWARENESS

Educating citizens about the impact of public policies on women and girls

Through meetings, public programs, social media, press releases, and publications, AAUW-PA increases awareness of public policy issues impacting women, girls and all citizens in areas such as pay equity, public education, healthcare and the transparency and efficient operation of government and elections

WHAT WE DO – *BRANCH*

PAGES™ mini-conference

Cops 'n' Kids event in Morrisville

Branch scholarship winners

GIRLS IN STEM

Encouraging girls to pursue careers in Science, Technology, Engineering, and Math

For over 20 years, AAUW Makefield Area has hosted a reception to honor seventh-grade girls who excel in math and science. The Branch also provides support and volunteers for programs designed to increase girls' interest in STEM careers, such as Philadelphia Area Girls Enjoying Science™ (PAGES™) at Chestnut Hill College, and STEMgirlz Discovery Day at Bucks County Community College.

LITERACY

Connecting kids and community through books

Cops 'n' Kids Delaware Valley, an AAUW Makefield Branch initiative, is dedicated to getting free books into the hands and homes of children. Through participation in literacy and community events, Cops 'n' Kids encourages positive relationships among children, police, firefighters, teachers, and those who serve our local communities.

SCHOLARSHIPS

Providing financial support for women continuing their education

In its 50+ year history, AAUW Makefield Area has provided hundreds of scholarships for mature women returning to finish their degrees, high school seniors going on to college and university, and for other purposes, including funding student participation in AAUW's annual training conference for college women student leaders.
